

TT10: Beyond Power & Control

We gave each of the 33 delegates this card below and asked them to post the signed card in the comments box to signal their agreement of this statement; we received back 31 cards.

I agree that West Sussex should adopt a more comprehensive, nuanced definition of domestic abuse that takes into account drivers other than power and control.

Signed (optional).....

Please post this in the comments box by the exit if you agree with this statement

94% of people present at TT10 signed up to widen the definition of domestic abuse
