

## TT11: Comments & Suggestions

There is currently no support for perpetrators who want to change but have not gone through the courts. Please can West Sussex put in place support/counselling for perpetrators who are acknowledging DA and are still living in the family.

Broader definition would include child to parent violence and also male victims of abuse. There is no one size fits all!

Can social services, along with CAFCASS, be invited along to the Conference?

Extremely informative morning

A 'Perspective Widening' morning

We asked delegates to sign a sheet on the wall if they agreed to West Sussex widening definition of domestic abuse. 9 additional delegates added their signature.
