

TT4 Comments & Suggestions

YOS to talk to us about what experience they have with young DV perpetrators eg, numbers, types of DV, factors contributing to DV and how they address this.

Treatment programmes for women and Children - reduce repeat victimisation for women and prevent children growing into abuse

The Think Tank is putting the heart back into the work. Bringing back into focus 'what works well' and 'what doesn't work' rather than being process/target driven.

Think Tank is remembering old ways of working - Community Inclusive - 'The Village Raises the Child'

Support for Young People but also support for the parents coping with the YP behaviour.
