

TT5: Breaking the Silence on Sexual Violence - Comments & Suggestions

A helpline/ support service for people who suspect/ know their child/ friend/ colleague/ parent etc are being abused. To guide them on best way they can offer support and to assist them with their own concerns and fears

Maggie Ellis' presentation was extremely powerful

There is a need (esp. with YP) to have info available to them regarding what will happen if they disclose. They may want to know: what will happen to them? to the perp? what help will they get? will they be kept safe? etc.
