

TT5: Groupwork - How to increase disclosure?

Focus on services for historical abuse/ childhood abuse - sensitivity to the differences between these scenarios

Use a similar model to DV eg. MARAC and Risk assessing vulnerability

Making people aware of all possible routes early on (early intervention)

Different mediums for reporting/ disclosing text/ email/ chat rooms (anon)/ i-phone app/ facebook

Media Coverage: newspapers/ television etc. Positive stories of convictions & successful outcomes - highlighting services

Awareness Raising of pathways (both police and non-police) for both public and professionals

A trained person in all schools/ workplaces/ surgeries who can support & guide

A variety of media & education covering the different types of sexual abuse/ violence

Ensuring the question is framed/ worded appropriately for different individuals (male/ female/ mental health/ substance misuses)
