TT7: Think Children

At this Think Tank we will be discussing how children who live with domestic abuse are supported in West Sussex.

- ✓ Find out what is on offer for children NOW with our 'pop up' sessions from practitioners working across West Sussex
- ✓ Create your own 'dream' service for children.
- ✓ Have a chance to make this vision a reality

We are half way through the Think Tank process. During the last 6 Think Tanks, we have identified **7 key priorities**, gathered **500 signatures** to support these priorities and listened to over **300 people's** opinions. Get your voice heard at the next Think Tank to help shape the future vision for domestic & sexual violence services across West Sussex.

THE PRIORITIES

1. West Sussex Cross Agency Strategy
2. West Sussex Joint Agency Commissioning Strategy
3. Think Family
4. A single, central access point
5. A single, web-based database for specialist services
6. Early Intervention
7. Recovery Services
